6. [] informed me that [] of OSI did not wish to process a compensation claim and submitted the information on his illness merely for purposes of sick leave. I asked [] to inform [] we felt he should process the claim for his own protection whether or not he actually submitted vouchers for payment.

7. [] informed me that the draft regulations for CM/OPC had been approved by the Executive Committee and were being forwarded to ADPC. He agreed that he should check to see whether full coordination had been had with all interested offices as this office apparently has not seen the latest drafts.
